# Virtual Estimating Services

## Increase bids, win more jobs

**Sign up for our Virtual Estimating Services (VES) and let our team of knowledgeable and experienced Measure estimators perform quality and efficient takeoffs for your projects.** When you sign up for VES, our specialists will meet with you before the first bid to create a profile for your takeoffs and gather your estimating preferences. Next, email us the plan along with any additional information, and we will get the takeoff back to you in an agreed-upon timeframe. From there, apply your pricing and submit the bid to your customer. **Imagine being able to submit more bids for a fraction of the cost of an additional estimator!**

**Cost-effective**
Our services cost significantly less than hiring a similarly experienced estimator or estimating service.

**Comprehensive**
Takeoffs include a digital set of room plans including dimensions, quantities, labeled rooms, seam and cut diagrams, and more.

**Fast**
Takeoffs are completed to meet your schedule.

**Experienced**
Our team of Measure professionals has years of Measure and real-world flooring experience.

**Increased sales**
Bid on more jobs for which you don't have the time to do the takeoff.

**Accurate**
Using Measure and industry best practices, your takeoffs are exceptionally accurate.

# Which package is right for you?

| | BASIC | DELUXE | PREMIER |
|---|---|---|---|
| | Up to 10 blueprints<br>Up to 50,000 sf/month* | Up to 20 blueprints<br>Up to 100,000 sf/month* | Unlimited blueprints<br>Up to 200,000 sf/ month* |
| Square footage and yardage numbers | ✓ | ✓ | ✓ |
| Measure file with Measure Viewer | ✓ | ✓ | ✓ |
| Naming products based off product categories | ✓ | ✓ | ✓ |
| Overall net numbers for perimeter and transition products | ✓ | — | — |
| Formal add-ons for base and transitions based on finish schedule (broken out by material type) | — | ✓ | ✓ |
| Wall elevations | — | ✓ | ✓ |
| Countertops | — | ✓ | ✓ |
| Importing actual products from RFMS | — | — | ✓ |
| Roll allocation for large jobs | — | — | ✓ |

*Square footage overages will be billed at $0.03/sf.

On-demand packages are available at a surcharge. A minimum 12-month commitment is required for all packages. After 12 months, packages will auto-renew each month until a written cancellation is received by RFMS. All packages require a setup charge that varies based on package selection. An introductory call with a Virtual Estimating Services Specialist will assist with determining your package selection and setup charge requirements.
